Credibility Built Over Two Decades

Very few firms offer ERMPProtect's breadth of capabilities and insights across industries. We've been a go-to provider of cybersecurity services to 450+ clients across 40 industry verticals.

Why 450+ Companies Have Picked Us

EXPERIENCE: In business since 1998, serving Fortune 500 companies, healthcare institutions, universities, public companies, and large government agencies.

EXPERTISE: Served 450+ clients in 40+ industry verticals, giving us deep insight across industries.

KNOWLEDGE: Dual expertise in cybersecurity and compliance to meet overlapping needs.

CERTIFICATIONS: All professionals maintain multiple coveted industry certifications, attesting to their expertise.

CREDIBILITY: Consulting professionals have master's degrees or PhDs in Cybersecurity from top universities.

REASONABLE PRICING: Competitive pricing without compromising quality.

EMPOWERMENT OF YOUR TEAM: Knowledge transfer to set them up for success.

GLOBAL RECOGNITION: One of only ~22 firms worldwide certified to investigate credit card breaches for the major card brands.

What Our Clients Say

"They took the time to learn how the bank worked and were able to offer extremely valuable insights."

— **CIO, International Bank.**

"Their assessors are very responsive, detail-oriented and collaborative which helps us with a smooth assessment process and timely completion of deliverables."

— **IT Director, Government Agency**

"Their expertise has also contributed to long-term improvements in our security posture beyond just achieving compliance."

— **IT Security, Regional Transportation System**

"I have chosen to work with ERMPProtect again and again because they are complete professionals in a crisis ... They have been a valuable partner for both data breaches and litigation support."

— **Partner, Big Law**

"We appreciate that ERMPProtect offers one-stop solutions to all our cyber and training needs. ERMPProtect helps us remain reliable and secure."

— **Compliance Officer, Private Enterprise**

"I consider ERM Protect to be a true business partner of ours, one that provides high quality service, in a prompt manner, at a fair and competitive price."

— **CISO, Large Municipality**

Proven Protection. Peace of Mind.
